

Baked Tomato White Fish with Cucumber Sauce

A simple dish to prepare, as the tomatoes are roasted together with the fish, eliminating multiple dishes. The avocado sauce flavored with lime juice provides a perfect complement.

What You'll Need

Baked Tomato White Fish

- > 2 whitefish fillets
- > 1 egg
- > 1 cup bread crumbs
- > 3 tbsp Parmesan cheese
- > 15 cherry tomatoes cut into piece
- > 1 clove garlic
- > 1 - 2 tbsp olive oil
- > 2 tbsp fresh dill

- Sea salt (or table salt) and black pepper to taste

Cucumber Sauce

- 1/2 avocado, peeled and pitted
- 1 1/2 tbsp lime juice
- 2 tbsp fresh dill
- 1 tbsp olive oil
- 1 tsp honey
- 2/3 cup cucumber
- 1 tbsp white onion
- Sea salt (or table salt) and pepper to taste

Directions

1. Preheat the oven to 400 degrees.
2. Make the cucumber sauce by placing all the ingredients in a blender and blend. Season to taste. Set aside.
3. Place the cherry tomatoes in a bowl and 1 tbsp olive oil (reserve the rest), the garlic, dill and season with sea salt and pepper to taste (this can also be done after they have baked).
4. Break the egg and place in a shallow dish and beat.
5. In another shallow dish, place the breadcrumbs, Parmesan cheese, a pinch of sea salt and pepper. Mix.
6. Dip each fish fillet in the egg and then into the breadcrumb mixture to cover on both sides.
7. Grease a shallow baking dish with the remaining olive oil. Place the fish in the dish and add the tomatoes beside the fish. Place the dish in the oven (do not cover) and bake for 20-25 minutes. Stir the tomatoes half way through.
8. Remove from the oven and place a piece of fish and half the tomatoes on plate. Serve with cucumber sauce.

Tip: This recipe works with any whitefish such as cod, halibut, sole or tilapia. Serve with a green salad and fresh whole grain rolls.
